Parking is available below the Broadway Medical Office Building at 3701 Broadway.

How to use the 3701 Broadway parking garage:

Free parking for radiation patients ONLY is located inside the 38th St. entrance to the garage.

Go to the bottom of the ramp and wait for the valet attendant.

If you have a “disabled” placard, free parking is available on all floors of the Broadway garage. This includes the valet/drop-off area inside the Broadway entrance to the garage.

There are two sets of elevators: one for the garage and one for the Medical Offices.

Take the garage elevators to the Ground floor to get to your appointment.

Bicycle parking:

Bike stands are located on the first floor inside the Broadway entrance to the garage.
