

San Leandro Medical Center

Hospital, Emergency Department, and Medical Offices

At Kaiser Permanente, we care for all generations – from moms and babies to adults and seniors. We're proud to bring full-service care to our culturally diverse communities in Southern Alameda County.

We put you and your needs at center stage at this state-of-the-art facility, featuring all private rooms. Located just off Highway 880 at Marina Boulevard, our San Leandro Medical Center is easily accessible by both car and public transportation.
