

TAKING YOU WELL INTO THE FUTURE

New Redwood City Hospital
NOW OPEN

A HEALTH CARE TEAM DEDICATED TO YOU

As a Kaiser Permanente member, you get what you need to take an active role in your health. We provide a focus on preventive care and wellness programs, along with extensive online tools. And when you or a loved one faces a serious condition, we can provide the high-quality hospital care you need. This includes our world-class neuroscience center, which treats members from across Northern California for conditions of the brain and spine.

A focus on your well-being

Highlights of our new
state-of-the-art hospital:

- Spacious, private rooms with views and natural light, room service, and pullout guest beds
- Complimentary Wi-Fi and GetWellNetwork® in patient rooms—learn more about your health, send requests to hospital staff, watch TV and movies on demand, play electronic games, and connect to high-speed Internet
- New labor and delivery unit with all private rooms for mom and baby
- Advanced neuroscience center
- Spacious Emergency Department with private treatment rooms
- 6 state-of-the-art operating rooms
- 3 interventional radiology suites (for image-guided procedures)
- Healing garden viewable from all floors and the cafeteria
- Environmentally friendly and sustainable design, including drought-tolerant landscaping
