

MANAGE YOUR CHILD'S HEALTH

Start emailing your child's doctor today!

KP.ORG INSTRUCTIONS

What you can do online

- ✓ Email your child's doctor (choose a doctor on kp.org/mydoctor)
- ✓ Make appointments including video visits
- ✓ Order prescription refills
- ✓ Check for preventive health due dates and print immunizations
- ✓ Review medical record

Note: There is limited access for children ages 12-17 due to privacy laws. Children may request their own kp.org account starting at the age of 13. Parents may need to request proxy access again once the child turns 12.

How to obtain access?

1. Go to kp.org and log in.
2. Click **Medical Record** > click **Act for a Family Member** on the left-hand side links.
3. Under **People You're Taking Care Of**, select **Child**.
4. Enter all required information.

Important: If you have the same address as your child, access will be granted immediately. Otherwise, an authorization code will be mailed to your child's address. Use this code to complete the process.
