

# Orientation to Chemotherapy

## *Understanding Your Treatment Plan*

KAISER PERMANENTE • SANTA ROSA • ONCOLOGY DEPARTMENT

This is a 1-hour session offered to patients prior to their chemotherapy course of treatment. Participants will learn how to understand and manage their treatment plan.

During this session, participants will:

- Understand what to expect when you come for treatment
- Understand possible side effects from chemotherapy and how to manage them
- Identify support services and resources
- Walk through the chemotherapy and infusion areas
- Answer any questions you may have

### **Who:**

*This class is appropriate for adult Kaiser Permanente patients who have been recently diagnosed with cancer that requires chemotherapy treatment. Caregivers are encouraged to attend.*

### **When:**

Every Tuesday  
3:00 pm – 4:00pm

### **Registration:**

See Receptionist in Oncology Suite 160 Nursing Station to register for the class or call 707-393-4774.

There is no fee for this class.
