

October is National Breast Cancer Awareness Month

Mother, daughter,
friend or wife.

Make early
detection a habit
for life.

If you're **50 or older** and have not had a mammogram in the **last 2 years**, schedule one with a receptionist or call to make an appointment at **1-800-954-8000**. If you're under 50 but at an increased risk for breast cancer, please talk with your doctor.

- Same day mammogram appointments are available at 1505 Edgemont - Ground Floor, and at the East Los Angeles, Glendale and Pasadena medical offices. Visit kp.org/losangeles for the locations.
- Get your screening during the month of October.
- All members who have their mammogram completed during the month of October will be entered in a prize drawing and will be notified during the second week of November.
