How to use the OTC catalog

The products in this catalog are listed in groups to help you find what you're looking for.

Within each group, products are listed alphabetically. Before you place an order, carefully read the product's name, description, product number and price.

You can order these products through our same day delivery with a qualified prescription order, but you should talk to your doctor before taking a new medication. Your doctor may recommend different medications for certain health conditions.

Products and prices are correct as of the date this catalog was published, availability may vary.

* Same day prescription delivery is available for eligible prescription drug orders. Same day prescription delivery is not available to every address or from all pharmacy locations. Order cutoff times and delivery days may vary by pharmacy location. Delivery may be subject to delays. Delivery fees apply and may vary by location. Delivery of select nonprescription items is available with prescription delivery at participating locations. Nonprescription items are charged at the current store prices in our local pharmacies. Advance payment by credit, debit, or FSA/HSA card required. In most cases, FSA/HSA cards may not be used for delivery fees. Other restrictions apply. Same day prescription delivery program is subject to change. Call the number above for more details.

Frequently Asked Questions

What is same day prescription delivery?

Participating Kaiser Permanente (KP) pharmacies will fill and deliver eligible prescriptions within the same day.

Where is same day prescription delivery available?

Same day prescription delivery is available at eligible addresses within the delivery service area. Please call (877) 761 - 4091 for more information.

How do I schedule a same day prescription delivery?

You can schedule a same day prescription delivery by calling and making the request to the pharmacy staff. Same day prescription delivery is subject to certain restrictions. Please call (877) 761 - 4091 for more information.

Will all my prescriptions be automatically delivered?

No. Each time you fill or refill a prescription, you will need to request same day prescription delivery. Same day prescription delivery is subject to certain restrictions. Please call (877) 761 - 4091 for more information.

What do I need to be eligible for same day prescription delivery?

- A Kaiser Permanente (KP) Medical Record Number (MRN)
- A prescription with at least one refill remaining
- A valid credit card
- A delivery address within the delivery service area

Are there restrictions on what can be delivered?

Yes. The following cannot be delivered:

- Certain state-administered health plans
- Certain controlled substances
- Refrigerated / temperature-sensitive medications
- Compound medications
- Select over-the-counter (OTC) products
- Other restrictions apply. Call (877) 761-4091 for details

Can I have other products delivered with my same day prescription delivery?

Select over-the-counter (OTC) products can be purchased and delivered with your same day prescription delivery. A list of eligible OTC products that can be delivered with your prescription delivery can be found at kp.org/losangeles.

Is there a fee for same day prescription delivery?

Yes. There is a flat fee per delivery, not per prescription or product. For example, if you are having three (3) prescriptions delivered at the same time to the same address, you will be charged one flat delivery fee.

Does someone need to be home to receive the delivery?

For most medications, you don't need to be home to receive the package. It will be left at a safe place at the delivery address provided at the time of order. If no safe location is available, the package will be returned to the pharmacy and you will have to call the pharmacy to coordinate pick-up or redelivery. Additional fees may apply for redelivery.

Select medications will require you or an adult to be home to sign for delivery. Or if you requested for a delivery signature requirement at the time of order, you or an adult will have to be home to sign for delivery. If someone isn't home to receive the package, it will be returned to the pharmacy and you will have to call the pharmacy to coordinate pick-up or redelivery. Additional fees may apply for redelivery.

Will I receive a text alert about my prescription?

Yes. If you are signed up for RxNotifier prescription text messaging, you will receive a text alert when your prescription is filled prior to delivery. **NOTE:** Please disregard the text notification stating that "Your order is ready for Pick-Up".

Can I give instructions to the pharmacist or driver about my same day prescription delivery?

Yes. When speaking with the pharmacy staff during the initiation of your prescription order, please provide any special instructions for the pharmacist or driver. For example, "please knock loudly", "hard of hearing", "be patient, I have a hard time walking, it may take me a while to get to the door".

Can I change or cancel my same day prescription delivery order?

Possibly. Please call (877) 761 - 4091 to verify order status and verify if you are eligible for a refund.

When can I expect my same day prescription delivery order?

Deliveries are scheduled based on the delivery time window requested at the time of order placement.

Can I track my delivery?

Yes. If you provided an email address and/or phone number at the time of your order, you should receive status notifications from the delivery courier. Delivery status can also be obtained by calling the pharmacy at (877) 761 – 4091.

Can prescriptions for more than one person be delivered to the same address?

Yes. Members living at the same address get one flat fee charge for each delivery. However, for members living at different units within the same address (i.e. retirement homes, apartment buildings, etc.), each member would get charged a flat delivery fee.

Can my prescription be delivered to a P.O. Box?

No. Same day prescription delivery is only available at eligible addresses within the delivery service area. We cannot deliver to P.O. Boxes. Please call (877) 761-4091 for more information.

Should I tip my delivery driver?

No. It is not recommended to tip your delivery driver.

What kind of packaging will my prescription be delivered in?

Your prescription will be delivered using secure packaging with the name and address on the outside. The security bag will prevent anyone from seeing what medication is being delivered.

What if there is an issue with my prescription delivery order?

If there are any questions or concerns about your prescription delivery order, please call (877) 791-4091 immediately.
