FOR IMMEDIATE RELEASE

KP Named Inland Empire United Way's Company of the Month

FONTANA, CA, June 1, 2012 – In recognition of our ongoing support, Inland Empire United Way has named the Fontana and Ontario Medical Centers its Company of the Month for June 2012.

Through its Community Giving Campaign, Kaiser Permanente employees from the Inland Empire raised \$181,258 – a 4.4% increase from the previous year! These contributions make a significant difference in the lives of low-income individuals within the local community.

In addition, KP Fontana and Ontario's Community Benefit Program awarded a \$15,000 grant to Inland Empire United Way's Kids Pack program. The Kids Pack program is aligned with Kaiser Permanente's priority of improving social determinants of health through increased food security by providing backpacks of weekend food to homeless and very low-income children. Kaiser Permanente also sponsored the printing of the 211 San Bernardino County Blue Book Directory, a resource for professionals working on the front lines of the health and human services system.

Said the organization in a statement, "Inland Empire United Way is grateful for Kaiser Permanente's partnership and support for our community. Thank you to the many employees of Kaiser Permanente for LIVING UNITED and helping children and families in need!"

About Kaiser Permanente
