

Women's Choice Award

Kaiser Permanente South Bay ranked among best hospitals.

Kaiser Permanente Medical Centers across Southern California have received the Women's Choice Award® as one of "**America's 100 Best Hospitals for Patient Experience**," as well as receiving multiple "America's Best Hospitals" awards in specialty care, including: Best Stroke Care, Best Hospital for Obstetrics, Best Breast Centers, and Best Bariatric Surgery.

According to the Women's Choice Award®, market research shows that women influence up to 94% of family health care decisions; and a

national survey conducted by the Women's Choice Award® determined which hospitals and services women would highly recommend in today's marketplace. Kaiser Permanente's hospitals had to meet exceptionally high standards regarding women's unique needs and preferences to help them make the most informed health care decisions.

Kaiser Permanente's Medical Centers in Anaheim, Baldwin Park, South Bay, and Woodland Hills were all named among **America's 100 Best Hospitals for Patient Experience**. These medical centers along with Kaiser Permanente's Los Angeles, Fontana, and Zion Medical Centers were named "America's Best Hospitals" for the following specialties:

- **Kaiser Permanente Anaheim Medical Center** – Obstetrics and Stroke Care
- **Kaiser Permanente Baldwin Park Medical Center** – Obstetrics and Breast Centers
- **Kaiser Permanente Fontana Medical Center** – Stroke Care
- **Kaiser Permanente Los Angeles Medical Center** – Stroke Care
- **Kaiser Permanente South Bay Medical Center** – Bariatric Surgery, Obstetrics, and Breast Centers
