

# Save time with video visits

Skip the trip to the doctor's office. Whether you're at home, at the office, or on the go, you can meet face-to-face with a provider over video.<sup>1,2</sup> You can schedule a video visit with a range of providers for a variety of medical needs.

## Which departments offer video visits?

\*By referral only.

### Schedule an appointment

You can call **1-833-KP4CARE (1-833-574-2273)** (TTY 711), 7 days a week, from 7 a.m. to 7 p.m.

For Primary Care and Pediatrics, you may also sign in to [kp.org](http://kp.org) or the Kaiser Permanente app.

Learn more about video visits at [kp.org/getcare](http://kp.org/getcare).

<sup>1</sup>When appropriate and available.

<sup>2</sup>These features are available when you get care at Kaiser Permanente facilities.
