

Visitor Policies

For the health and safety of our patients, doctors, and staff, and in accordance with recent guidelines from the state of California, we are limiting visitors in our facilities.

- Please do not visit or accompany patients if you have a cough or cold or are sick.
- Anyone under 14 who is not a patient may not visit patients at this time.

Hospitals

No visitors are allowed in our hospitals, except for:

- Same-day surgery – 1 visitor only
- Labor and delivery, postpartum, and pediatrics, including PICU and NICU – 1 visitor/birthing partner only
- Pediatrics, PICU, and NICU – 2 designated caregivers during entire hospital stay are allowed; maximum 2 entries every 24 hours. Exceptions might be made on a case by case basis for end of life.
- Hospice/end of life – 1 visitor only
- Patients with physical or cognitive disabilities who need assistance – 1 adult caregiver, 18 years or older
- Language assistance – 1 person, only if interpreter services aren't sufficient
- Drivers for arriving surgery patients – may enter to provide contact information, and then must leave until the patient is ready for discharge

Emergency Departments

No visitors are allowed in our Emergency Departments, except for:

- End of life care, by special arrangement
- Patients with physical or cognitive disabilities who need assistance – 1 adult caregiver, 18 years or older
- Language assistance – 1 person, only if interpreter services aren't sufficient

Medical Offices

Our medical offices are accepting patients only, except for:

- Pediatrics – 1 adult accompanying a child; for newborns under 4 weeks, the mother may bring another adult to the visit
- Patients with physical or cognitive disabilities who need assistance – 1 adult caregiver, 18 years or older
- Language assistance – 1 person, only if interpreter services aren't sufficient
- Care assistance – 1 visitor if a patient needs assistance with care or transportation
